K10

Powerhouse

K10 offers 128GB of storage, ensuring ample space for all your digital content.

Underneath its sleek exterior, the K10 houses an impressive octa-core processor, delivering exceptional multitasking capabilities and seamless handling of demanding tasks with lightning-fast speed.

128GB Internal Storage
12GB (4GB + 8GB Xtra RAM)

13

Android 13

Android 13 is a major update to the Android operating system that focuses on privacy and security, with new features like a privacy dashboard, a photo picker that lets you share specific photos without giving an app access to your entire library, and a new security feature that lets you revoke permissions from apps you haven't used in a while.
