Battery

Powered by Android 14

Large Display, Light on the Wallet

Whether you're capturing precious moments, enjoying multimedia content, or battling in immersive games, the K5's 6.8" HD+ display will make you feel like you're right in the center of the action.

6.8"

Work Fast, Play Hard

The K5's Octa-Core processor enables smooth multitasking for those who enjoy gaming, streaming, and browsing on their phones without any slowdown.

64GB Internal Storage
UP to 8GB (4GB + 4GB Xtra RAM)

XtraRAM uses a portion of your internal storage for virtual memory, which can limit space for photos, videos, and apps. However, it may not perform as well as physical RAM, leading to potential performance issues with memory-reliant apps.

Unlock Your World

Unlock your K5 with the touch of a finger.
Keep all your files and information secure
and private.

Side-Mounted Fingerprint Sensor

Up To 3 Days Battery

You will never run low on battery, the K5's is equipped with a powerful 5,000mAh battery for all day use.

Battery performance depicted above is not 100% accurate and will vary depending on usage patterns, the strength of signal, network, device settings, battery condition, and temperature. The battery life claims depicted are based on user testing that includes device usage under optimal networking.
