## ANDROID 9 PIE

Android 9 harnesses the power of artificial intelligence to give you more from your phone. Now it's smarter, faster and adapts as you use it.

Android 9 adapts to you and how you use your phone, learning your preferences as you go. Your experience gets better and better over time, and it keeps things running smoother, longer.

App Actions predicts what you're about to do, so you get to your next task more quickly. If you do something like connect your headphones, the playlist you were listening to earlier is front and center.
