Premium Metal Housing Design

Designed 2 Impress

BLU blends both design and technology aspects to create a state of the art smartphone. With a metal battery cover paired with a curved glass display, the GRAND M2 provides the user an experience like no other. Available Black, Blue and Gold

Metal Back

The GRAND M2 utilizes state of the art material such as aluminum on the battery cover which provides structural integrity, while also raising the bar on the aesthetic quality. Pushing the design to a higher level that few succeed in.

Processor and Memory

Enjoy a seamless experience with 8GB or 16GB of internal memory and 1GB of RAM. With a MediaTek 6580 chipset and a 1.3GHz quad core processor, the GRAND M2 will not disappoint.

The Mali-400 GPU provides enhanced visual processing prowess that ensure all your movies and games come to life. Expandable storage up to 64GB with built-in MicroSD card slot.

Android 8.1 Oreo (Go Edition)

Android 8.1 Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

Saving space, Wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.

Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.

Globally Connected | Unlocked | Dual Sim **1 2**
