LIFE ONE X3

Outright Gorgeous

BLU continues to design smartphones with flare and ingenuity, the LIFE ONE X3 is no exception. Built with a metal housing frame to support the exquisite curved glass touch display. The unmatched combination of art and craftsmanship makes the LIFE ONE X3 is a winner among its competitors.

Available in Black.

AI | Metal Back Cover

26.981539

The LIFE ONE X3 utilizes state of the art material such as aluminum on the battery cover which provides structural integrity, while also raising the bar on the aesthetic quality.

Pushing the design to a higher level that few succeed in.

Processing Power

With a Mediatek 6753 chipset providing a 1.3GHz Octa Core processor, the Life One X3 is a powerhouse for performance. Paired with 3GB of RAM, it will meet all your needs whether it be for productivity or leisure, there is nothing this phone can't handle.
