GRAND mini

Design To Impress

BLU once again makes sure its design concepts are not only appealing to eye but functional to the user. We designed the GRAND MINI with a smooth paint finish to simultaneously enhance both the look and provide the perfect hand held experience to the smartphone user.

Available in Glossy Black, Gold, Silver and Rose Gold.

Sharp Display

With a 4.5" display, the GRAND MINI showcases all your favorite movies or games on it's 480 x 854 ~218ppi screen. Enjoy stunning bright colors and crisp sharpness every single time on your smartphone.

Flawless Performance

Providing a smooth and uninterrupted work flow experience every single time as expected from BLÜ, The GRAND MINI is no exception. With a MediaTek 6570 chipset, working double-time with a 1.3GHz Dual Core processor, the GRAND MINI performs when required by its users. Whether it be the latest movie you're wanting to download for the long flight or newest album from your favorite artist, be certain with 8GB of internal memory to have the space you require. If you should need additional space, the GRAND MINI has expandable memory up to 64GB.

Dual SIM **1** **2**

A Dual SIM gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices.

You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.

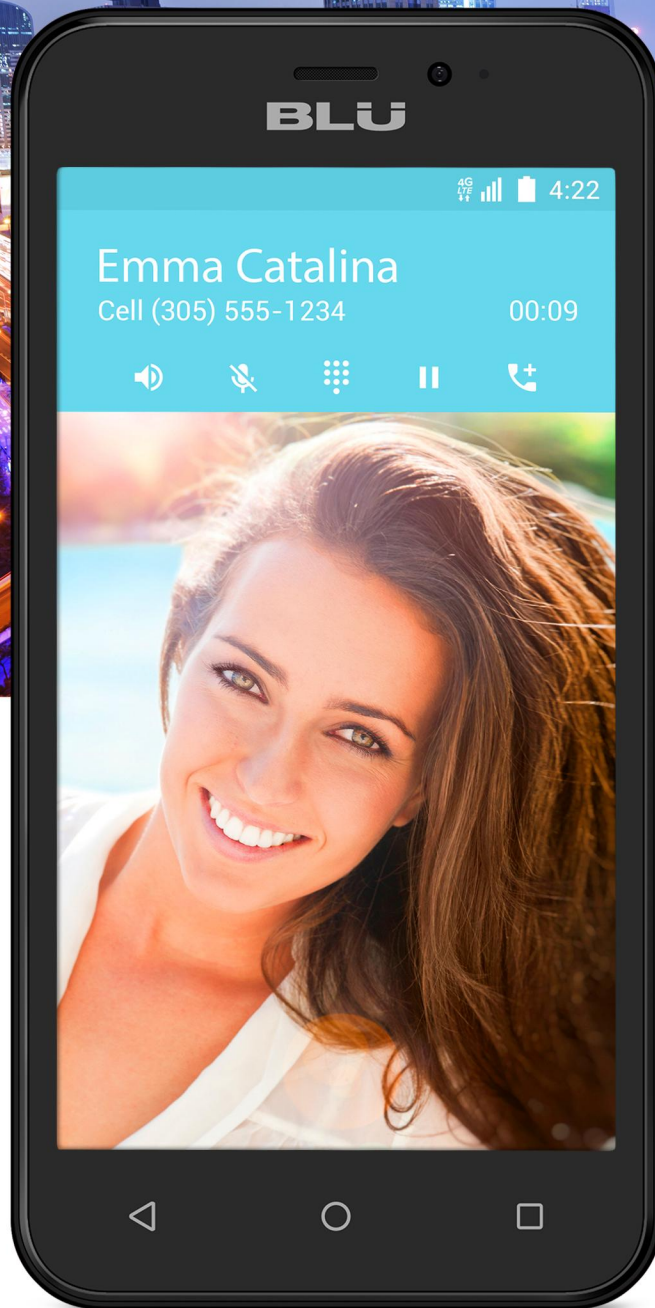

Android 6.0 Marshmallow

Redesigned user interface that is friendly and intuitive.
Lock screen notifications for quick actions and quick access.
Project Volta for better battery life than any previous version.
Multitasking is now easier with a look at all your open applications.
Multiple users and guest mode make it easy to share your device without compromising your personal information.
