STUDIO J8

Key Selling Points

Vivid 5.5" High Definition Display

8 Megapixel Main camera with Flash and
5 Megapixel Front selfie camera with Flash

Premium Metal Housing

Fingerprint Sensor

Latest Android Nougat 7.0

Inspired Design

BLU has once again pushed the envelope when it comes to creativity. Designed with an electrolyzed metal housing paired with a smooth liquid like curved touch panel display. The STUDIO J8 focused on superior user experience with a clean form factor wrapped around a generous 5.5" HD display.

Available in Black, Gold, Rose Gold and Silver.

Metal Back Cover

The STUDIO J8 utilizes state of the art material such as aluminum on the battery cover which provides structural integrity, while also raising the bar on the aesthetic quality. Pushing the design to a higher level that few succeed in.

Visual Stimulant

With a true high definition display in the palm of your hand, the STUDIO J8 is sure to thrill you every single time. With a vivid 5.5" display showcasing 720 x 1280 HD resolution matched with state of the art curved glass screen everything viewed on the screen will be nothing short of spectacular.

Curved Display

Incorporating the highest-grade material such as curved glass touch panel, the STUDIO J8 ensures excellent feedback and feel.

Powerful Multitasking

The STUDIO J8 provides the user with flawless multitasking efficiency. With a MediaTek 6580 chipset along with a Mali-400 GPU, watching videos and playing your favorite games will be second nature. With 8GB of internal memory, all you favorite movies, photos and music are stored and ready for you in a snap. Expandable memory capacity of up to 64GB.

Picture Time

The STUDIO J8 has two brilliant cameras for your delight. Both the 8 megapixel camera, as well as the equally impressive 5 megapixel front camera are equipped with flash. All your must capture moments will never be missed.

Perfect Selfies

All those selfies with the STUDIO J8's 5MP camera will undoubtedly showcase all your favorite portraits in amazing quality. No matter the environment you find yourself in, the STUDIO J8 will impress.

Quick Access. Total Security

The STUDIO J8 comes with a fingerprint scanner feature that will surely give you peace of mind. Access all your applications and important files quickly and securely.

Android 7.0 Nougat

New multi-window support to use apps on screen simultaneously.

Better background optimization to minimize RAM use by system and apps.

Project Vulkan API, a new 3D rendering API for 3D graphics.

With these new enhancements in addition to other features available,
users will have many new capabilities.
