Quick Access.
Total Security.

Unlock your smartphone with the press of a finger for quick secure access. The STUDIO MEGA assures total security for all your important applications and files.

Globally Connected & Dual Sim

Stay globally connected with fiends and family while traveling the world. The STUDIO MEGA comes with 3G 850/1700/1900/2100 to ensure you always have access to worldwide carrier coverage while you're on the go! Take advantage of different voice and data plans for better rates, better coverage and separate bills with the STUDIO MEGA's Dual SIM slots.

Android 8.1 Oreo (Go Edition)

Android 8.1 Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.

Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

Saving space, wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.
